BIRTHDAYS

Welcome October

Matric Dance

### **A Special Milestone**

October brought us a moment we had all been waiting for—the big day for our matriculant! She looked absolutely stunning, and in true celebratory spirit, even shed a few happy tears (almost ruining her makeup, but we laughed together at the moment). This was a day of pride, beauty, and accomplishment, reminding us of the bright futures our children are working toward.

### **Welcoming New Faces**

We continue to open our arms to new children joining our family. Each new arrival strengthens our mission, and we are thrilled to see our numbers grow. Welcoming children is not just our duty—it's our joy. Every smile, every laugh, every new bond reminds us why we do what we do.

### **Donors Bringing Joy**

Our donors have been incredible this month, visiting the children and sharing sweets, goodies, and precious time. Their presence brings so much happiness, and we are deeply grateful for their ongoing support. We are already looking forward to celebrating December together with our donors in a big way!

### **Academic Achievements**

A huge congratulations to our children for their outstanding performance in the 3rd term. With 95% giving their very best, we couldn't be prouder. Your hard work and dedication inspire us all—keep shining, keep striving, and keep believing in yourselves!

### **Prize Giving: Academics & Sports**

This month also saw our children shine at the Prize Giving Ceremony. From academics to sports, their participation in different activities was recognized and celebrated. The joy on their faces as they received awards was priceless, and it reminded us that growth happens not only in classrooms but also on the sports field. We are proud of every child who stepped up, competed, and showed their talents.

### **Volunteers Making a Difference**

We also want to extend heartfelt thanks to our two dedicated volunteers. Your efforts are seen, felt, and appreciated. The impact of your help is visible in the smiles of our children and the smooth running of our daily activities.

## ❤️ **Closing Note**

October was a month of milestones, laughter, and gratitude. As we look ahead to December, we are filled with excitement for the celebrations to come. Thank you to everyone—children, donors, and volunteers—for making Epworth Children's Village Home a place of love, growth, and joy.
