🌟 A Heartfelt Thank You for Mandela Day 2025 🌟

To every supporter who stood with us this Mandela Day — thank you.

Your generosity, time, and kindness wrapped our home in warmth and reminded our children that they are seen, valued, and deeply loved. Because of you, we were able to honour Madiba's legacy in the most meaningful way: by pouring care directly into the lives of our young people.

We are profoundly grateful for your commitment to making a difference.

Farewell to a Legend: Uncle Simon

On 31 July 2025, we said goodbye to a man who shaped the very soul of Epworth. Uncle Simon joined us on 1 May 1979, and for 46 years he safely carried our children, steady as sunrise. Thousands of school trips, countless smiles, quiet jokes, and a calm presence became his daily gift to us.

Uncle Simon, thank you for your loyalty, your gentle spirit, and the legacy of care you leave behind. We wish you a soft and joyful next chapter.

A warm thank you to our Epworth Angels for the beautiful cakes and for always spoiling our children and staff. Your kindness lifts us, year after year.

Celebrating Our Internships

Congratulations to **Tamika Hibbard, Megan Botha, and Louise Brink**, who graduated on 22 July with their **Master's (MEd) in Educational Psychology** from the University of Johannesburg.

Well done, ladies. Your achievement inspires all of us, and we are proud to walk beside you.

Welcoming New Children

This month, our Epworth family grew again.

We welcomed new little hearts with open arms and gentle care. Each child brings their own light, hopes, and story. We look forward to guiding them with patience, love, and support as they settle into their new home.

Our New Bus Driver & Marcopolo Bus

A major highlight for August was receiving our dedicated bus driver for the Marcopolo bus so generously donated by the Marcopolo Company.

This means safer, reliable, and dignified transport for our children to school, outings, and activities. It's a milestone we cherish.

Achievements & Progress

Our children continue to shine through courage and determination.

We celebrate:

- Consistent effort in their schoolwork
- Participation in daily routines and responsibilities
- Small victories, personal growth, and quiet courage

Every step counts. Every step matters.

Matric Dance Sponsorship

One of our matriculants received a full sponsorship for her matric dance this month. Her excitement is overflowing, and her dream night is finally within reach.

To the generous donor who made this possible: thank you for turning hope into reality.

Support from Volunteers

A warm thank you to our two volunteers who continue to give their time, patience, and energy to our little ones. Whether they're helping with homework, playing games, or offering a listening ear, their presence makes a remarkable difference.
