It takes a village to raise a child

Every Child Has a Story. Together, We Help Write the Future.

A Message of Gratitude

Dear Valued Donors,

As we journey through 2026, we extend our heartfelt gratitude to everyone who continues to walk alongside Epworth Children's Village. Whether you are a first-time donor, a monthly supporter or an annual contributor, every gift, act of kindness and moment of support makes a meaningful difference in the lives of our children.

Every child arrives with their own story, challenges and dreams for the future. Together, as a village, we work to provide the care, encouragement and opportunities they need to heal, grow in confidence and become independent, empowered young adults.

Your support helps make this possible. Thank you for believing in our children, standing beside our team and being part of the village that continues to nurture their hope and future.

Celebrating Our Children's Achievements

Every achievement matter, and every step forward deserves to be celebrated!

The journey has not always been easy. Over the past year and a half, our children have faced the challenge of settling into new schools, adapting to different learning environments and finding their feet academically. Thanks to the dedication of our team, the commitment of our children, the support of educators and the generosity of our donors, we are proud to celebrate a school pass rate of over 70%.

Our children continue to receive learning support to help them overcome challenges, strengthen their skills and reach their potential. Behind every certificate, improved mark and moment of confidence is a child who has worked hard and deserves recognition.

Achievements Across Our Grades - Our younger learners are also making us proud, with certificates recognising participation, academic progress, good behaviour, responsibility and perseverance across Crèche and Grades R to 4.

Each certificate represents a milestone worth celebrating, from building confidence in the classroom to developing the values and skills that will support our children throughout life.

Help Us Support Their Learning in 2027

Our commitment to education continues beyond the classroom. We are looking for homework volunteers for 2027 to help our children with their schoolwork, encourage positive study habits and build confidence in their learning.

If you have the time and heart to make a difference, we would love to hear from you.

Help Equip Bright Futures

A successful school year begins with the right tools.

As we prepare for the 2027 academic year, we need stationery, school bags, exercise books, pencils, calculators and other essential learning materials. Every book, pencil and calculator gives a child another opportunity to learn, participate and succeed. You can help by donating stationery or sponsoring items from our 2027 stationery list.
